

**EXCLUSIVE LUXURY BED LINEN**

These exclusive luxury bed sheets and pillow cases are made of 100% cotton, that is hand spun-hand woven and ‘almost carbon neutral’. The fabric breathes and absorbs body moisture. It is allergy free as there are no harmful chemicals used in its making and its special soft finish makes it very comfortable. It is also strong and durable.

These are not only great to feel and sleep on, they are good for the environment and the people. It gives work and dignity to people living in remote villages of India who prepare this exclusive fabric.

**Product specifications**
