

Stephon Marbury & Steve & Barry's expand Starbury Collection

Other highlights of the Starbury Collection spring 2007 line expansion include:

- Starbury Team, a high top basketball sneaker that offers dynamic and aggressive styling and all the performance characteristics of other high-end basketball shoes. The Starbury Team comes in five men's and five boys' color ways.
- Starbury SXM Trainer is a high performance skateboarder shoe, with a specially designed lug configuration grip system and heel tech piece for superior grip and handling, durability and kick control. The Starbury SXM Trainer comes in three men's and two boys' color ways.
- Starbury Crossover LE, a classically styled court shoe featuring an all patent action leather, three-tone upper and cup outsole with stitch-down construction, plus a color-coordinated cotton lace that incorporates a steel-stamped embellishment. The Starbury Crossover LE comes in six men's and two women's color ways.
- Starbury Cyclone II, a classic retro jobber that improves upon the styling and construction of the original Cyclone introduced as part of the Starbury Collection last summer. A heel tech piece, an EVA sock liner with a visaterry cover and a shock absorption insert in the heel, and a double-layered mesh upper deliver enhanced comfort and stability. The Starbury Cyclone II comes in four men's color ways.
- Starbury Surfside is a retro court shoe, with an all suede upper, cup outsole with stitch-down construction and a translucent sole plate with outsized Starbury graphic backing. The Starbury Surfside comes in six men's color ways and one women's color way.
- Starbury Bowery is an extremely lightweight casual shoe with a rubber outsole and texture grip sole plate. The Starbury Bowery comes in five men's color ways and one women's color way.
- Starbury Tornado is a lightweight women's shoe. Its compression-molded and rubber islands midsole/outsole unit, geometric lug configuration, breathable mesh upper, and fashion forward, tri-color combinations make the Starbury Tornado ideal for yoga or other gym activities. It comes in three women's color ways.

In addition to sneakers, the Starbury Collection features nearly 200 casual and comfortable items for the entire family, including jackets, jeans, hoodies, t-shirts, athletic tops and shorts, a work book, hats and other accessories, with every individual item.

Four-time NBA All-Star and four-time Defensive Player of the Year Ben Wallace of the Chicago Bulls became the first athlete endorser of Starbury when it was announced that he has joined the Starbury Movement last month. Wallace's Big Ben signature Starbury sneaker is currently being designed and will debut next season during Wallace's games.
