

LUCKY TEXTILE GROUP

Established in 1970, **LUCKY TEXTILE GROUP**, has evolved into one of Indonesia's visionary integrated manufacturers of Cotton Based Yarns and Finished Fabrics.

Ms. Lily Tamin
Managing Directress

Our Managing Directress' motto "***Get Ready , Stay on Track and be Lucky***" resulted in our pursuing a strategy of R & D with a focus on Market Trends and Customer Satisfaction and adhering to world standard practices such as the "ISO 9001 : 2000 " and utilization of the "OKO-TEX" standard in our operations. The outcome of this has been introduction of new products in Yarn and Fabrics by the innovative combination of the raw materials, chemicals and processes.

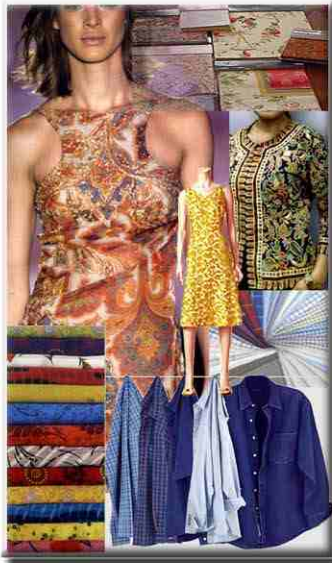

PT LUCKY ABADI TEXTILE FACTORY annually produces more than 15,000 tons of 100% Cotton Carded Yarns in yarn counts ranging from Ne 7.5/1 to Ne 40/1 in Single or Two Ply for the Weaving and Knitting Applications and other Specialty applications as follows:

- Fashion Applications in Denim and Woven Fabrics : Slub Yarns
- Extra Soft and Absorbent Luxury Towels : Low Twist Yarns
- Casual Wear and "Exfoliating" Finish to the Towels : Cotton Ramie Yarns
- Environmentally Conscious (Under Development) : Organic Cotton Yarns

85% of the yarns produced are sold to the customers locally and overseas to Japan USA, Columbia, Korea, Taiwan, Malaysia, China and 15% of the production is consumed internally in our own Weaving division in Lucky Print Abadi.

PT. LUCKY PRINT ABADI annually manufactures 18,000,000 yds each of finished and greige woven fabrics. Popular items in Top Weights are poplins, sheetings, twills, satins and lightweight lawn, and in Bottom Weights, heavy twills are proposed as follows:

- **Casual Wear:** Fabrics made from Cotton, Cotton Ramie, Cotton Nylon, TC, CVC with finishes such as Easy Care by BASF, Stain Release, Water Resist, Peach and Raised.
- **Uniform :** Cotton, Cotton Nylon, TC, CVC fabrics with finishes Non Iron by BASF (Under Development), Blood Resist, Oil Resist, Soil Release and Anti Bacterial to improve the performance of the basic fabrics for special applications. Cotton Nylon Prints provide exceptional wrinkle free and color retention properties essential in applications such as Airline Uniforms.
- **Evening Wear:** Fine Cotton, Cotton Modal, Tencel fabrics with Silky Soft or Chintz finishes to provide elegance and drape properties.

We offer Basic Print / Dye Techniques such as Pigment, Reactive, Disperse and Discharge and Revolutionary such as Indigo, Sulphur, Foam and Burnout.

Our major customers are reputed Garment Manufacturers supplying to brands such as Marks & Spencer, Tom Tailor, Esprit, Next, Gap - Old Navy, Nygard, Liz Claiborne, Jacadi, May Dept Stores, AMC, Macy's, Target, Kohls amongst others and reputed local brands such as The Executive, Et Cetera, Accent besides the wholesale market.
