

## Fiber and Yarn

### A) Intermediaries:

PTA

MEG

Chips – Polyester and Nylon

### B) Fiber:

PSF virgin, recycled and regenerated, solid, hollow conjugate siliconized and non siliconized

Viscose staple fiber virgin

Cotton fiber virgin

### C) Yarns:

#### 1) 100% Cotton Yarn (combed, carded, compact, open end)

a) Raw white and Dyed

b) Indian, Egyptian, African, CMIA, Pima, Supima, Organic and fair trade cotton

c) Eli twist, Siro spun, Gassed and Mercerised yarn

#### 2) 100% Polyester Yarn

##### a) Filament Yarn

Raw white and Doped Dyed in various colors (Package dyed form and Yarn on Plastic Perforated tube)

Lustre: Full Dull, Semi Dull, Bright, Super Bright

Cross sections: Round, Trilobal, Octolobal, Cross '+'

i) Mother yarn and Monofilament

ii) Partially Oriented Yarn (POY), Draw Textured Yarn (DTY), Full Drawn Yarn (FDY)

##### b) Spun Yarn

i) Ring Spun Yarn, Open End,

ii) Sewing Thread in Raw White and Dyed

#### 3) 100% Viscose Yarn

a) Viscose Ring Spun Yarn, Open End, Vortex Spinning

b) Viscose Filament yarn

#### 4) 100% Acrylic Spun Yarns (High Bulk, Low Bulk) in Raw White and Dyed

#### 5) 100% Nylon 6 and 66 Filament Yarn

6) Blended Spun Yarn

- a) Poly/Cotton, CVC, Cotton/Viscose, Poly/Viscose, Cotton/ Acrylic and others
- b) Tri blend Yarns: Poly/Viscose/Cotton and Cotton/Viscose/Acrylic

7) Spandex: Lycra, Geora, Acelan, Texlon and other spandex brands

8) Fancy Yarns like High Twist, Melange, Slub and Cationic Dyeable

D) Specialty and Functional Fibers/ Yarns:

1. Bamboo (100% Bamboo, Bamboo blends and Bamboo Charcoal)
2. Linen Blends with Poly/ Viscose
3. 100% Modal, Tencel and Blends
4. Wool Blends with Poly/Viscose
5. Cashmere
6. Soybean and blends
7. PLA
8. Low Melt (Bi-component)
9. Low Pill/ Anti-Pilling
10. High Tenacity
11. Optical White
12. UV cut/ UV Protective
13. Far Infrared
14. Moisture Management
15. Anti-Microbial, Anti-Odour
16. Anti-Static
17. Flame Retardant
18. Nylon Micro
19. Hollow Conjugate and Hollow Conjugate Siliconized
20. Fine Denier Siliconized
21. Biodegradable
22. Regenerated/ Recycled
23. Tire cord
24. Fishing Net
