Institute of the International Association for Research and Testing in the Field of Textile Ecology

The company

**Top Tex Co.**

**Alshkief - Industrial Area**

**Aleppo, SYRIAN ARAB REPUBLIC**

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 09.0.70965**

for the following articles:

**Ready made garments (under wear, nightwear, casual wear, promotional wear, fleece jackets) made of white, dyed, printed (water base and rubber print) and finished cotton, cotton/elastane and cotton/polyester fabrics. Including sewing thread, embroidery, buttons, zipper, woven and printed labels, produced by using materials certified according to Oeko-Tex® Standard 100.**

The results of the inspection made according to Oeko-Tex® Standard 100, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for products with direct contact to skin.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

**This authorisation is valid until 30.11.2010**
